

RACKLEY ROOFING COMPANY, INC.

Broadway Roof

Roof Manufacturer: Carlisle Syntec

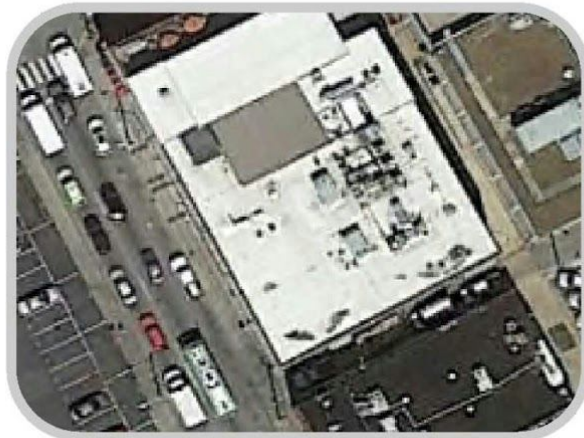

Roof Size: 7,000 sq. ft.

Roof System: TPO Fleeceback

Rackley Roofing was called in by the building owner to find and repair several roof leaks that had been occurring since the day another contractor had installed this roof. We discovered the installation had been performed incorrectly and proposed the installation of a new roof system.

We tore off a 5-year old roof system. We went back with a fully tapered insulation, with Carlisle 115 Mil Fleeceback TPO with a 15 year warranty.
