

RACKLEY ROOFING COMPANY, INC.

The Crossings Shopping Center

Roof Manufacturer: Firestone Building Products

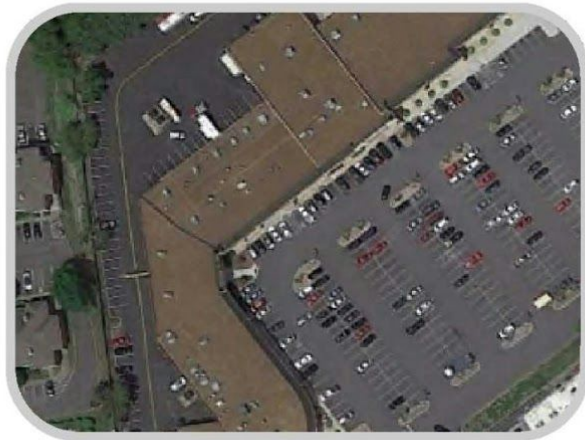

Roof Size: 70,000 sq. ft.

Roof System: .060 Ballast EPDM

This shopping center was built in 1990. Rackley Roofing Co. Inc. installed the original roof, an .045 Ballasted EPDM roof system.

In 2012, we roofed a 70,000 sq. ft. section of the shopping center, installing an .060 EPDM Ballast switch-out, providing a 20-year Firestone warranty.
